GARDEN SHINE

AKEBIA q. .

3-4'h SUMMER

(Five Leaf Akabia) Spectacular vine with vanilla scented clusters of purple flowers. Grows back quickly if cut back. Great foliage vine.

CLEMATIS Daniel Deronda purple

6-8'h SUMMER

Very large, violet blue flowers with paler midribs and contrasting creamy yellow anthers. First round of blossoms are semi-double, second round are single. Good cut flower, attracts hummingbirds, deer/rabbit resistant.

CLEMATIS Fireworks

10'h SUMMER

(Clematis) Striking large-flowered, bicolor variety. Bright to light purple flowers with a wide, vivid reddish-pink central bar (color varies slightly with exposure) Great for covering large trellises or fences.

CLEMATIS Malaya Garnet

6'h SUMMER

Offering fabulous contrast, this Japanese cultivar produces very pale pink flowers with bright crimson central bar. A group of pink-tipped, cream filaments rests in the center of the flower. Good cut flower, attracts hummingbirds, deer/rabbit resistant

CLEMATIS Niobe

6-8'h SUMMER

(Clematis) The velvety, ruby red flowers of this variety are somewhat cup-shaped and have contrasting ivory stamens. This is one of the very best reds available. It holds color well all season long.

CLEMATIS terniflora

10-30'h FALL

(Sweet Autumn Clematis) A small flowered, fall blooming selection. Fragrant, creamy white flowers smother the bushy foliage for nearly two months. Will bloom in part shade. Good cut flower, attracts hummingbirds, deer/rabbit resistant.

CLEMATIS Tie Dye

12'h SUMMER

(Clematis) A new color pattern for clematis; bright purple flowers display pale lavender to white marbling that starts in the center of each petal and feathers outward.

HYDRANGEA a. petiolaris

25'h SUMMER

(Climbing Hydrangea) Creeping vine with cloud-like clusters of white flowers in summer and exfoliating cinnamon colored bark with age. Slow grower.

LONICERA Major Wheeler

3-6'h SPRING

(Honeysuckle Vine) Extra long blooming version of native coral honeysuckle. Hummingbird attractant.

PARTHENOCISSUS Vietchii

14-20'h

(Boston Ivy) Vigorous growing vine with large 8" glossy 3-lobed leaves, self clinging and turns shades of burgundy red to orange in fall.
